IN RECOGNITION OF NATIONAL
MEN'S HEALTH WEEK

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 12, 2014

Mr. DANNY K. DAVIS of Illinois. Mr. Speaker, I wish to take a few moments to recognize June 9th through 13th as National Men's Health Week. I strongly support National Men's Health Week and the participating health organizations that help raise awareness of men's health in our communities. I embrace the spirit of Men's Health Week which maintains that all men need to do our best to take care of our health and our families' health to strengthen our communities. Heart disease is the primary killer of men in our country. Men live an average of 5 years less than women, and men between the ages of 18 and 44 are less likely to visit the doctor than women. I am a firm believer in prevention and the importance of health awareness. A crucial step to maintaining a healthy lifestyle is being aware of your current health status. Increased awareness of our medical needs and preventable health problems will help remedy possible issues before they become life threatening. Taking care of ourselves is crucially important as we age, and regular check-ups with our health providers are important steps to strengthen the health of our communities.

We have many community health centers in the 7th District of Illinois that provide excellent care to Illinoisans. These health centers play critical roles in strengthening men's health. I would like to recognize and commend Near North Health Service Corporation for its efforts during National Men's Health Week. Near North is performing free health screenings for men during this time period. For example, they are conducting screenings for blood pressure, oral health, HIV, diabetes, and prostate cancer. They are conducting informative workshops on healthier eating as well. I applaud the dedication of our community health centers to improving the health and meeting the medical needs of our communities during Men's Health Week and throughout the entire year.

I also want to recognize the efforts of the Illinois Department of Public Health during Men's Health Week. IDPH partnered with the Chicago White Sox and Bat for the Cure to provide free prostate cancer screenings. Further, the state health agency is leading multiple awareness events and seminars this week, including an African-American Male Health and Fitness Expo at Malcolm X College and the 20th Annual Real Men Cook event at Kennedy King. All of these efforts are important steps in raising awareness and improving the health of citizens in Chicago, Illinois and the Nation.

IN RECOGNITION OF THE SERVICE
OF MARY ELLEN EPPS TO THE
PEOPLE OF COLORADO

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 12, 2014

Mr. LAMBORN. Mr. Speaker, I rise today to pay tribute to one of my former colleagues in the Colorado General Assembly, Mary Ellen Epps. Mary Ellen and I served together at the State Capitol in Denver. Mary Ellen was an absolute dynamo of a Representative and Senator who faithfully served her constituents in the Fountain and Widefield region.

Mary Ellen lived a full life and had an intense passion for learning. She received her bachelor's degree from Colorado Christian University and also took courses in French and nursing. She even was a student pilot.

With large portions of Fort Carson in her district, and as a Lifetime VFW member, Mary Ellen was a passionate advocate for our men and women in uniform, their families, and our veterans.

Mary Ellen was a passionate, dedicated, and hard-working legislator. A tough fighter for public safety and law and order, Mary Ellen worked hard to pass legislation increasing penalties on uninsured motorists. She also worked to increase the hardships of prison for our most dangerous criminals.

The range of Mary Ellen's knowledge and expertise was reflected in the committees she served during her time in the General Assembly. She was able to help and assist so many people while serving on the Criminal Justice, Medically Indigent, Environmental, Arts and Tourism, and Health Care committees.

Mary Ellen was able to represent her constituents so well because she made a conscientious effort to personally connect with as many as possible and learn what motivated them and what issues were their priorities. Her passionate advocacy and tireless work ethic was an inspiration to me and I was honored to call her my friend.

Mary Ellen has passed away, but I know that she is in a better place. Please consider her three children, three grandchildren, and one great-grandchild in your thoughts and prayers.
